\*\*\*Will see what can be recruited at registration then will send emails requesting helpers

5. District News

New Rotating Tourney Schedule-\* In fairness to all parks, the district is implementing a rotating tourney schedule(alphabetical). This means that this year Hampton will host the 11-12 district tourney and National will host the 9-10 districts. A park can decline to host in which case it goes to the next in line but you lose your spot. A special motion can be made to host in case of "special" reasons such as a parks 50th anniversary. All leagues agree and then the following year the rotation reverts back to the

team who was next in line. If nobody passes on a tourney Central Saanich will next host the 9-10 Districts in 2015. The city minors tourney is not part of the rotation.

9-10 provincials at Layritz-\* As host, Layritz is automatically in the provincials. They will still play in the district tourney but only in the round robin portion. None of the games played against Layritz will count in the final/playoff standings.

HarbourCats fundraising - The district has two games to use for fundraising. All funds will go toward the district umpire budget for training of young umpires. We will have tickets available to be purchased. Approximate cost \$10 each

6. Formalize exec. positions - update website \*Jordan put name forward for president as we need one. All present in favour. Dawn/Morley to update the exec positions on the website.

7. Other business - Open floor

Tracy recommended reaching out to seniors/organizations to find a new senior ump to replace Dave after the 2013 season. Lions, Beacon Community Services, Volunteer Victoria

End meeting. - 7:55PM
