Dave attended District 7 meeting. Main topic brought from there was the difficulty with online registration and payment. Also the challenges getting the word out about baseball to the schools, kids, and parents.

We now have the gaming license.

Wednesday Clinics are going well, good turnouts. More hands on help with coaching would be beneficial.

Nicole will be in contact with Niki about the new uniforms, to go forward with ordering them.

Checking the mail, for any bills to go to Catherine, and Registrations to go to Angela

Uniforms have to be ready by latest 2nd week of April.

Opening Ceremonies. April 12 2014.

Numbers to Stacey one week before and final numbers again sent on the 11th.

There will be no inflatables for the opening ceremonies.

Grab bags for the players will be given out

Registration on-line has proven to be difficult. It would be nice to see a plan B for people who are having difficulties, hopes to have some solutions to ease the payment and registration for both register and registrar.

Umpire clinic has changed dates. Not sure to when still at Lay Ritz

Look at other fields to see what sort of new stereo equipment would work the best for Centennial field. As it will be replaced eventually.

Free coaching clinic: All potential coaches and or assistants will be encouraged to go and will all be emailed as the date gets closer.

Pitching Clinic: Pat Christoph previously did great job and comes highly recommended. Players and coaches will be encouraged to attend if we can get him to come out again. Jordan will send him an email to see if we can book him in.
