Old Business

Facility update - Dave - Waiting on pitcher catcher fence to be done
- Shield in concession needing to be done and is ready to be put up when slow.

Coaching Clinic Feedback - Great feedback, not much criticism, CS Coaches learnt a lot. Coaches learning new skills to teach kids grow.

CRC reimbursement - No charge for volunteers confirmed by CS Police.

Outcome of grill duties regarding parents etc. We will find out next meeting by Heather, she will chat with Marti.

Opening Ceremonies Feedback - Awesome feedback overall. Pitch Hit Run contest we will do again. We forgot to do the pledge. Opening pitch should be by someone fun and not a political figure (people who have contributed to the park).

Gaming grant for equipment - John and Vince are doing a spreadsheet of the equipment they want in detail. Morley will put in application for grant. No requests were brought forward for extra equipment. Ordered 20 sets of catchers gear. Discussion held about a fundraising drive to get more money for equipment? Maybe next year. We will apply for the gaming grant yearly.

Triple A pitching clinic - Friday April 24 6:30pm Mini, and Rookie Pitching Clinics. May 1st- Pitching clinics. First one is younger ages, May 1st will be majors and Minors, coaches invited to all. Open for pitchers or those who want to pitch.

AEDs - movement on getting some donated? Deferred to next meeting.

Key changes to Batting cage - not yet.

Pitching rubbers - have we dispersed them where needed? Done

NEW BUSINESS

Prospect (Tournament) Teams –
Vince voted in as Manager 11/12.
Ted voted in as Manager 9/10.

Majors tournament - 10 teams incl 1 CS. Need Manager.
Possibly Krista and / or Vince

Brentwood Days - June 6th games cancelled for Tball and Blastball. We can possibly march in the parade for CSLL. Megan will look into and see if there is enough interest. We do have a banner. (we will get Niki to grab it if we decide to march)

Prospect Teams - Minors
Interest in RM's – we cannot take the kids unless they play in 60% of the minors games.

Ted and John get the interest of players to get a team on board.
Make a schedule that will work with the families

Photo Day - Sunday

Budget vs actual – Sponsorship up. Concession doing well. We have a good budget to cover our spending.

Outstanding registration documents/cheques. Fees need to be paid. We will have the emails sent to coordinators to help track it down.

Roundtable

- Mats work really well instead of raking the fields. We can look into getting some more.
- We now do composting and recycling. Rick Van has CCR implemented this.
- Rolling the fields to smooth them out. Dave to talk to district about this possibility.
- Diamond 1 needs to be fixed as the grass slopes when it meets the gravel
- Diamond 5 is missing the fencing between the stands and the dug out. Needs to be fixed. (Dave will let them know)
- Victoria Mariners league will come out to help develop players for no cost as they need the volunteer hours. Dates set include Monday April 27th 6pm - Minors and Majors for pitching help and coaching.
- Park Ranger duty removed from Krista on Friday night. Morley picked up.
- Minors District tournament is June 27th to July 4. We need to setup a committee.
