What is the role of an umpire? How do I know where I should be on the field? What is the correct mechanic to use?

This clinic is for all umpires of all ages that are new to umpiring or looking for a solid refresher in the game. Mechanics, Rules, and Scenarios will be covered in this 6-hour clinic hosted by the Senior Umpires of District 7. Please dress for the weather, bring a water bottle, lunch, and snacks. Umpires may bring baseball gloves to help facilitate some of the scenario work.
