Dear fellow community member,

Little League is all about community and raising good people. We are a non-profit organization that helps boys and girls in developing the qualities of citizenship, discipline, teamwork and physical well-being through the medium of baseball. The Little League program is designed to develop superior citizens rather than superior athletes.

Our program at Central Saanich Little League is in the final planning stages to build an indoor training facility at Centennial Park, replacing our batting cage lost two years ago to a winter storm. Various community baseball organizations will be using this facility help deliver baseball programs to over 800 kids on the peninsula. This new training facility will act as another practice field to allow more children to enroll in our programs. With assistance from local businesses/groups/citizens such as you we hope to raise the necessary funds to purchase and construct the building this fall. Our project cost is near \$170,000; to date local businesses have committed approximately \$90,000 in labour and materials.

If you are able to help in any way we would greatly appreciate your support. Our goal is to raise the remaining \$80,000 to purchase the building and cover construction costs. We plan to recognize our donors in many ways which will include the local newspaper and social media, and creating a commemorative plaque, to remember our donors for many years to come.

I have attached drawings of the training facility to give you an idea of what we are building. The District of Central Saanich is working closely with us to get this project completed in a timely matter. We are all volunteers at the park. We all want to help the kids in our community to have a safe and fun place to be.

Please join us in achieving our goal to make our community a better place for our kids to play!

Yours in service,

Morley R. Wittman
