

2019 British Columbia Junior Provincials

**Hosted by District 7
Central Saanich Little League
July 13-14, 2019**

WELCOME MESSAGE

Central Saanich Little League would like to welcome all players, coaches, parents and fans to our park and our community. We trust that you will feel relaxed and at ease during your stay. While the tournament is competitive, we encourage everyone to remember this game is for the kids and we hope you enjoy the friendly rivalries.

HISTORY OF CENTRAL SAANICH LITTLE LEAGUE

We began our journey back in 1969. That makes this our 50th anniversary! The fields you see were hand picked and machine rolled by members of the community including our own Central Saanich Lions.

Our membership has grown and shrunk and most recently grown again. We have over 300 kids playing baseball at our park. We believe this is due to making the program fast, fun and simple. We want kids to talk about how much fun they had and want to come back.

During the past 5 years we have seen new dugouts and backstops on 3 of our 6 diamonds, all new uniforms, 90% of our equipment is less than 4 years old. Our kids can now play up to age 16 at our park. We've made many upgrades to our bathrooms, concession and clubhouse. Thanks to many of our local businesses we are currently building a 2,800 sq ft indoor training facility on site to be completed this fall. Our future looks bright!

TOURNAMENT COMMITTEE

Our tournament committee consists of our local umpire-in-chief, our District 7 administrator and our local Central Saanich Little League president. They are available to answer any questions pertaining to the rules of the tournament.
