

BASEBALL PROGRAM AGES 13-16

Victoria Capitals

We invite players aged 13 thru 16 to take part in three exciting baseball programs that give players an opportunity to play with their friends and still compete for a provincial, Canadian and World Series title. There is a regular season and a tournament season.

Intermediate – age 13 – this division plays on a 50' pitch and 70' base path. They play in a local league with games played at Hampton and Central Saanich parks. Off island teams also come to Victoria to play.

Junior – ages 13-14 – this division plays on a 54' pitch and 80' base path. They have North and South Victoria teams who play both on island and mainland teams.

Senior – ages 14-16 – this division plays on a 60.5' pitch and 90' base path (full size MLB). These players create North and South Victoria teams. They too play on island and mainland teams.

Fees for the 2018 regular season are \$150 per player!!!
